Hi Karen,

I am finishing up the changes to the DER now. I gave a copy to AI for his review, and we will send out the revised copy next week. Or are you talking about the reclassification memo?

Hi Karen,

Would it be possible for your to share with me your current status about the clothianidin field study after meeting with the registrant. Can you send me your Data Evaluation Record (DER) of that study?

The title of the study is: Chris Cutler, 2006. An Investigation  
of the  
Potential Long-Term Impact of Clothianidin Seed Treated Canola  
on Honey  
Bees, *Apis mellifera* L. Bayer Study Number: EBTIX064, Study  
number:  
2005-CSD-EBTIX064.

Thank you,
